Harvest Time Ministries Update May 2017

Life in the red center of Australia has it's daily challenges, but the rewards far surpass any fleeting hardships. What could compare with the joy of seeing faces light up as indigenous women turn to chapters and verses in the Bible for the first time in their lives? How could any earthly obstacle quench the excitement of receiving a gift of meticulously hand painted book marks (dot art) in thanks for consistently bringing God's word to their community?

A question Gerald & Kathy are frequently asked, "How long will you be here?" Ministers in this region usually do not stay much more than a year or two.

Amoonguna Weekly Services

The weekly Bible study in Amoonguna, an Aboriginal Community 15 miles outside of Alice Springs, continues to bear fruit. At this time, Gerald and Kathy are teaching a series, "The Holy Spirit...Your Helper." The service is held outdoors... under trees or a small covering. Those attending are growing in their relationship with Jesus and making a difference in their community. This community, like so many, faces incredible hurdles as they deal daily with critical illness, premature death, domestic violence, substance abuse and more. **PRAY for a move of God's Spirit in Amoonguna.**

PRAY FOR REVIVAL IN Ali Curung...

This month we traveled to Ali Curung, 250 miles from Alice Springs. We had heard reports of violent fighting in this Aboriginal community for weeks. It is unclear what started the fighting, but mobs had been fighting at night with boomerangs, baseball bats, and machetes. Cars had been burned and businesses looted. We stayed with the McLaughlin family who have a farm in the middle of Aboriginal land. As Gerald began to share a word at the outdoor church service Sunday morning... once again people gathered to fight. The potential fight quickly dispersed as we prayed. We were able to minister to believers... **How to resist a spirit of fear & the authority of the believer.** We are waiting on God's timing for a tent revival in Ali Curung. PRAY for a spirit of repentance and REVIVAL to touch this community.
