

# HTM Australia...

Harvest Time Ministries Update

July 2017

Life in the red center of Australia has it's daily challenges, but the rewards far surpass any fleeting hardships. Reminders are everywhere... this is a *RE-MOTE* region. Surrounded by millions of acres of arid wilderness and wildlife, don't expect to get any kind of a phone/ internet signal as soon as you leave town.

Gerald and Kathy Green know that the Holy Spirit has placed them here to bring His Word and the Power of the Holy Spirit to a dry and thirsty land.

Amoonguna Weekly Services

Springs, continues to bear fruit. The service is held outdoors... under trees or a small covering. Those attending are growing in their relationship with Jesus and making a difference in their community. PRAY for HTM to get the official permit needed to hold services in the community Rec. Center.

**Preparations are in full swing for the "Holy Spirit & Power Conference" in Alice Springs, September 22-24, 2017.** PRAY for God to draw people in from all over the region for a powerful time of REVIVAL through the Word and the Holy Spirit.

## Trip to the Top End... New Landscape

In June we traveled to Darwin, 950 miles north of Alice Springs on the Northern Coast. Darwin is the capital of the Northern Territory. *It was so refreshing to see WATER... the ocean, rivers, and even waterfalls in this tropical, rain forest environment..* We especially enjoyed seeing huge crocodiles on a trip down the Adelaide River.

**We appreciate your prayers as we prepare for our first USA ministry tour this month.** We will be in 5-6 states, see both of our families, minister in churches, and have meetings with partners and pastors in just 3 short weeks. We hope to be able to see many of you during this trip and share more in person of the awesome work God is doing here in the Outback!
