

# HTM Australia...

Departing Alice Springs on July 15, 2017 began a whirlwind of activity and blessings for Gerald and Kathy Green. They journeyed more than 25,000 miles to Sydney and the USA. In just over three weeks they visited six states (USA), preached in four churches, had four partner/pastor meetings, spent time with their families, and attended a three day RMAI ministers' conference in Lancaster, PA.

Gerald and Kathy cherished this precious time with their family and friends. The ministry time was rich and rewarding. It was

impossible to get out to all of the supporting churches and see all of their friends, but plans are in the making for a longer trip back home in 2018.

*Final editing is being done on an HTM audio-video presentation, "Dropped in the Center," which will be shared with partners and churches this month.* Through this presentation, you can take a drive through Alice Springs, catch glimpses of this remote land and hear the vision God has given Gerald and Kathy to bring forth rich, lasting fruit in this desert land.

## Jumping Back to the Purpose... Central Australia

HTM did not skip a step as they landed back in Central Australia and joyfully jumped right into God's plan here. Gerald and Kathy continue to minister the Word of God on a weekly basis both in Alice Springs as well as in Amoonguna, an Aboriginal reserve outside of town. Almost daily they are called by family members to minister to patients at the Alice Springs Hospital who have been flown in from communities spread hundreds of miles out in the Outback. Healing testimonies abound and the word spreads.

**Preparations are in full swing for the "Holy Spirit & Power Conference" in Alice Springs, October 20 to 22nd, 2017.** PRAY for God to draw people from Central Australia together for a powerful time of REVIVAL through the Word and the Holy Spirit.
