Bible Boot Camp...

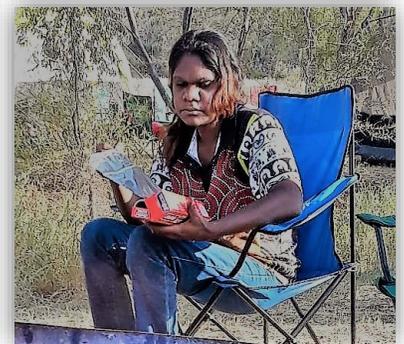

The past two months have been packed with fruitful ministry. Easter weekend four Rhema School of World Mission interns arrived from Oklahoma, USA, to join forces with HTM in Central Australia for one month. These interns had their work cut out as they assisted with ministry in Rivers of Life church, and several outreaches in Aboriginal communities.

Bible Boot Camp April, 2018

Mornings & afternoons students gathered under a covered area overlooking the red ranges for intensive teaching. The theme was, "God's plan for Abundant Life." From creation... to God's covenant in the Old Testament... to the plan of redemption... to the gift of the Holy Spirit... God's provision for man to walk in His abundant life. Students daily had time alone with God in the gorgeous outback. Each evening was time for worship and sharing life stories around the campfire.

The mission interns held a vital role in the launch of the first Bible Boot Camp. Tents went up, air mattresses filled, sleeping bags unrolled, outback bush kitchen set up and fire wood collected as the HTM Bible Boot Camp was officially erected in Glen Hellen a little less than two hours drive from Alice Springs.

Fruit Blooming in the Desert...

We just had our first water Baptism service for the newly formed Rivers of Life Church in Alice Springs. What a joy to see five precious SOULS participate in Baptism as a public declaration of their new life in Christ. We were blessed to have a Christian family, Mark and Amanda Dunn, volunteer the use of their pool and garden for the event. Those who came to share in the joy of those being baptized had an awesome time of praise, worship, celebration... of course enjoying some “tucker” (food) together as well.

Having traveled as missionary evangelists over the years... it is now a blessing to watch first hand fruit come forth in the lives of those God has divinely brought to us. One precious Aboriginal lady shared around the campfire at the Boot Camp... She had been an alcoholic for years and even had some of her children taken from her and raised in foster care. After meeting us and becoming involved with the ministry in Alice, she proudly announced that she had just completed two years without a drink. She spent her time at the camp in between sessions reading Christian books and walking the land communing with God.

Another young man shared that he had been on the streets, on drugs for a couple of years... How he had been dramatically transformed through new life in Christ. His family in a city a thousand miles away is astounded to see their new son! He has a nice apartment, good job, dependable vehicle and stable family life. He is the most faithful with church attendance and ready to help in any way needed.

Thanks to Every Sponsor of the First Bible Boot Camp...

We want to thank each person that assisted in sponsoring the students to the first HTM Bible Boot Camp. This vision, birthed in prayer, is somewhat revolutionary in Central Australia. As we spent MONTHS praying about effective ministry and lasting fruit in this region, the Holy Spirit spoke to our hearts... *“Bring them in for periods of time to CAMP out and pour my Word and ministry by the Spirit into them day and night.”* You have allowed this vision that was birthed in our hearts through prayer to come to sight. Each student was dramatically impacted in their relationship with God during this weeklong camp. The seed sown into these lives will have lasting fruit.

Your Prayers and Giving Makes All of This Possible...

As we launch out each day here in this remote region of Central Australia... We are so aware that we can not do this alone. We thank God for each one of you that faithfully lifts us up in prayer and supports the work here financially. *Know that we pray regularly for our Partners and across all of the thousands of miles hold you closely in our hearts.*
