## Healing Streams...

HTM and Rivers of Life Church held a "Healing Streams" conference in Alice Springs during the month of June. Pastors Paul and Wendy Le Viere from Cityview Church in Sydney came to minister along with their praise and worship leader, Hugh Wilson. "Healing Streams," was a time of healing and refreshing for the body of Christ here in the center, Alice Springs. The three day healing conference was attended by believers from various churches in town as well as some visitors from out of town.

Several *outstanding healing miracles* were seen, as people came expecting to receive in this region hungry for the move of God and power of the Holy Spirit.

Healing Streams Conference

The ministry of Pastors Paul & Wendy inspired the people of Alice to ACT on the theme, "God Wants You Well." HTM continues to receive good reports from around town of lives which were touched and encouraged through "Healing Streams."

Hugh Wilson blessed the people of Alice with anointed praise and worship and incorporated musicians from other ministries to get on board.... Entering in to the healing streams.

## Healing Miracles Spring Forth in the Desert...

*We continue to rejoice following three days of meetings in Alice Springs, "Healing Streams."* Below are four photos of healing testimonies from this conference. Most of the thousands of miracles and healings this ministry has seen over more than two decades have been **progressive**. When a person receives prayer in Jesus' name for healing and takes it by faith... changes are seen... improvement begins. From that point as the power of God continues to work in their bodies, the individual must hold on by FAITH until the complete healing is manifested. An African brother below was diagnosed with the debilitating disease MS over one year ago. Following prayer at the first night's meeting he noticed his balance was better and he could walk in a straight line. Following the second night, he went to the gym and was able to lift weights with his legs as he had not been able. Following the third night, he was able to walk better and returned to his job that he had been off for over one year due to the illness. Each day he reports continued improvements.

One lady had an **instantaneous miracle** on the first night of the meetings. She had been totally deaf in her right ear for some time. Following prayer, her ear popped open and she could hear everything. She returned the next night and reported she awoke to hearing the birds singing for the first time in years!

Another lady had been on dialysis for over two years... her kidneys were not functioning at all. The first night as she was prayed for a word came forth speaking "Life" to her kidneys... commanding them to come to life. The next night she returned and whispered to Pastor Kathy, "I didn't go to dialysis today and I am making wee (urine) now." Now over one week since the meetings... she continues to urinate several times a day, has no signs as previously of fluid retention. She was encouraged to continue following doctors orders, and going to dialysis as we await the doctors' report.

## Your Prayers and Giving Makes All of This Possible...

As we launch out each day here in this remote region of Central Australia... We are so aware that we can not do this alone. We thank God for each one of you that faithfully lifts us up in prayer and supports the work here financially. *Know that we pray regularly for our Partners and across all of the thousands of miles hold you closely in our hearts.*

MS patient...Back to Work

Dialysis patient... kidneys come to life
