## Celebrating God's Faithfulness...

*"Give thanks to the Lord for His un-failing love..." Psalm 107:8*

HTM recently celebrated the 6<sup>th</sup> Year Anniversary of Rivers of Life Church in Central Australia. Alice Springs has a little over a dozen Christian churches. Most of those have been around for 70 to 100 years. As a "baby" church of a different flavor... the Word and Faith, God accomplished amazing strides over these short years.

**Just to mention a few:** HTM Australia was registered as an official non-profit with the NT government, and just recently obtained official "charity" status; ROLC took possession of an amazing church facility receiving valuable equipment/furniture in the lease package at below market prices; HTM owns two blessed vehicles including a church bus and 4wd; a children's ministry has been established with numerous ready-to-

## Behold I will do a NEW Thing...

### Rivers in the Desert

*"Do not remember the former things... Behold, I will do a NEW THING, Now it shall spring forth; Shall you not know it? I will even make a road in the wilderness And rivers in the desert." Isaiah 43:18-19*

The theme song of the Holy Spirit to our hearts these days is "NEW."

We know that by "**wisdom** a house (ministry) is built and by **understanding** it is established" Prov. 24:3. Wisdom involves HEARING God's specific instructions and acting on them. If the ministry here in Central Australia is to flourish and continue to produce fruit... we have to attune our ears to HEAR what God is speaking and be willing to adjust. We have to understand some things both spiritual and natural. The Holy Spirit has opened our understanding in so many areas of the cultures here... what will work and what will not.

At this time we are entering a NEW PHASE... a NEW CHAPTER so to speak. As we have been able to establish certain foundations, it is now time to move forward. This will involve NEW projects, NEW staff and people working with us, NEW ways of doing discipleship, NEW outreaches, NEW travel reaching NEW people groups, launching a NEW OUT-BACK BIBLE SCHOOL, NEW venues and NEW property acquired. As you may imagine this must also entail NEW RE-SOURCES and NEW INCREASE in financial provision. We will be sharing details of these God-ordained projects in the coming weeks. God is a big God with a big vision to reach the multitudes in this dry and thirsty land.

**Interns in the Harvest Mission Program is officially launched. There are openings for a ONE MONTH, THREE MONTH or SIX MONTH mission Internship.** This internship allows individuals (young adults to seniors) who want to experience world missions and have on-the-ground training. Pastors Gerald & Kathy, with over three decades experience as missionaries desire to pour much of what they have learned into others called to the great commission.
