## The Vision...

### Rivers in the Desert

*"I will make a road in the wilderness and rivers in the desert... To give drink to My chosen, this people I have formed for Myself; They shall declare My praise."*  
Isaiah 43:19,21

We remember these words clearly as we felt called to the heart of Australia. Unknown to us at the time, were overwhelming obstacles we would have to conquer for this vision to come to pass. After nine years on *this* mission field, including six years since founding Rivers of Life Church, we are just now preparing to enter the second phase of our out-back assignment.

We ignorantly estimated that we could raise up the ministry and leaders in about two years. Though still a long way from the finish line, we are making progress and trusting the Holy Spirit to accelerate the vision.

**MARRIAGE ON THE ROCK CONFERENCE**  
FOUNDED ON THE ROCK OF GOD'S WORD

Over half the population here is made up of six major Aboriginal tribes. Our ministry also involves peoples from the South Pacific islands, New Zealand, Asia, Africa and North America. The multi-cultural aspect of our ministry presents challenges, but God has brought amazing unity.

The Indigenous tribes are resilient and learning to push past trauma, violence, addictions, hopelessness, financial lack, and peer pressure to put cultural traditions before God's Word... This cannot come to pass without the RENEWING OF THE MIND by God's Word. Rarely have we seen the spiritual hunger and sensitivity of the Indigenous tribes here. "The HARVEST is plentiful... the WORKERS are few." PRAY for workers to join this amazing HARVEST field.

## Taking the Land...

### A New Phase

*“Every place the sole of your foot shall tread upon, I have given to you.” Joshua 1:3* At this time HTM Australia is entering a NEW PHASE... a NEW CHAPTER so to speak. This must involve NEW projects, NEW people working with us, NEW ways of doing things and **NEW**

**LAND. YES it is time for HTM Australia to take possession of it's own land.** The Holy Spirit is guiding us to establish the ministry base, church, and Bible School just outside of Alice Springs. There is ample land available, and God is leading us to the Ross area, with the Eastern McDonnell Ranges providing a beautiful backdrop. This is a big step of faith for us—a move that will allow this mission to expand and bring forth an increase in lasting fruit.

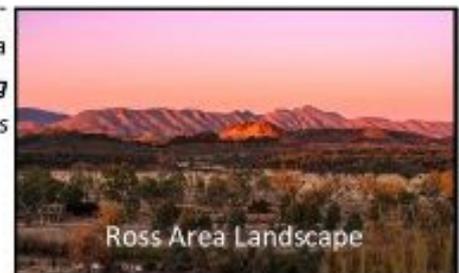

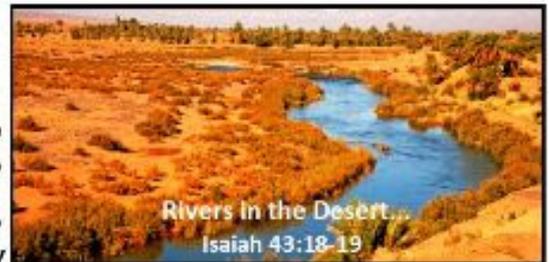

### The Need for a Bible School...

From our earliest days of being “dropped in the center” of this region, we immediately recognized the profound need for a Bible School. It was truly startling to encounter so many Indigenous Christians who, despite their faith, possessed very little knowledge of the Word. Our passion is to see Christians firmly established in the Word...their minds renewed... knowing who they are in Christ, their spiritual authority and how to lay hold of God's promises. **Only through the renewing of our minds with the Word can we live the abundant life in Christ. (John 10:10)**

The “Harvest Bible Bush School,” is being carefully crafted and guided by the Holy Spirit to serve the Indigenous peoples of this land. Terms for study at the school will be structured to last between six to eight weeks. During this time, students will reside on the property, fully immersed in a Christian atmosphere. Their daily lives will be centered around the Word of God, prayer, worship, and fellowship. For many, the school will serve as a refuge from the often chaotic environments that they face everyday. Within this sanctuary, believers will find a supportive and nurturing community, allowing them to focus on and deepen their relationship with God and knowledge of His Word.

The accommodations for the Bible Bush School will initially be established in a camp-style setting. Over time, these facilities are planned to evolve into the construction of rustic cabins. Although, in natural terms, the development of this new phase could be a lengthy process, **we have received a prophetic Word from God promising acceleration.** We invite you to stay connected with us for ongoing updates details through our social media and email communications.

*Donations desgated for the Bible Bush School will be used 100% exclusively for this project.*
