A NEW PHASE... "Take the Land"

"Taking the Land"

Raising up Christian Leaders

Harvest Time Ministries Australia is preparing to enter its next phase...entitled, "Take the Land." This phase will establish a mission training center, Bible training center and Bible Bush Camps for Aboriginal groups.

"Streams in the Desert Mission Camp" is the God-given vision entrusted to Gerald and Kathy to raise up effective Christian leadership in this region. Over the past several years, HTM has successfully established a registered non-profit organization, obtained charity status, and launched Rivers of Life Church. However, it soon became clear through the leading of the Holy Spirit that for the people groups of this region—especially the Indigenous tribes—to grow into maturity, much more is needed than participation in a local church alone. More intensive teaching and practical application of God's Word is essential for minds to be renewed and for generations of spiritual darkness to be overcome.

The ministry is prayerfully considering a few properties around 5 acres just outside of Alice Springs with buildings appropriate for a mission house, meeting hall (shed), learning centre, and space for camps. The "Bush Camps" will operate for 6 to 8 weeks, providing prospective leaders with an immersive Bible-focused environment and intensive training. We hope to be able to have a solid contract for purchase or lease to purchase by the fall 2026. This is a landmark step in this remote area. PRAY to have a part in producing a LEGACY of LEADERS.

Reaching Generations...

Any move of God is lost if it is not passed down to the next generation. The children of Israel forgot God as they did not remember the signs and wonders and power of God experienced by their elders

God continues to speak to us about reaching the children and youth of this region. In Alice Springs, the escalating crime rate is largely involving young people—many of whom have experienced neglect, unmet basic needs, and a lack of safety and security in their home environments. As a result, many have turned to the streets and to gangs in search of belonging, support, and protection.

We are mandated to reach this younger generation. Over these years we have had several outreaches, lots of PRAYER and asking the Holy Spirit for creative ways to reach the Youth.

In March, BREAKTHROUGH YOUTH RALLY” was a tremendous success...

We saw amazing results with this 4-day event targeting youth in Alice.

“Tell your children about it, and let your children tell their children, and their children the next generation.”

Joel 1:3

Over 400 individuals attended, over 120 salvations through the rally and school outreaches. THE HARVEST IS RIPE!

HTM is planning regular Youth Rally outreaches, school ministry, and as God leads, youth camps. Please pray with us as we wait on God for His guidance and instruction on the most effective ways to reach these precious young people. We believe they are hungry for a touch from the loving Father and longing to encounter the power of God.
