"Harvest in the OUTBACK"...

Streams in the Desert

Harvest Time Ministries Australia continues pressing forward to fulfill the great assignment of the church...TAKE the GOSPEL and RAISE UP DISCIPLES of all tribes and peoples.

This vision will become reality when Christian ministries unite for the harvest. After serving on five continents, Pastors Gerald and Kathy Green remain encouraged by Aboriginal peoples' spiritual openness and mindful of the urgent need for more Christian workers across the outback.

HTM is privileged to partner with a growing number of churches and outreach organizations to reach the communities the Holy Spirit has called us to serve. In June, 80 passionate YWAM missionaries gathered in Alice Springs to pray, worship and seek God's heart for the Red Centre—the Warm Heart of Australia. It was inspiring to see and hear the Holy Spirit stirring people across the nation with His vision for Central Australia. God is calling workers into the harvest here.

In July, Gerald crossed the ocean to minister in churches, attend a pastors' conference, and spend meaningful time with valued ministry partners and family in Virginia, Colorado, Maryland, and Pennsylvania. These priceless relationships strengthen and equip HTM to fulfil its mission.

In August, HTM was delighted to welcome an 11-member mission team from Faith Landmarks Ministries in Richmond, Virginia. They arrived well prepared and eager to serve, sharing God's love and encouraging hearts toward salvation and a deeper life with Jesus in two Aboriginal communities. In September, HTM warmly welcomed Robert and Rebecca Fenske, directors of Charis Bible College and Andrew Wommack Ministries Australia; what precious fellowship and a blessing to Rivers of Life Church.

Bridging the Gap

Raising Up Christian Leaders...

Harvest Time Ministries Australia is preparing to enter its next phase...entitled, "Take the Land." This phase will establish a mission training center, Bible training center and Bible Bush Camps for Aboriginal groups.

'Streams in the Desert Mission Camp' is the God-given vision entrusted to Gerald and Kathy to raise up effective Christian leadership in this region. Over the past several years, HTM has successfully established a registered non-profit organization, obtained charity status, and launched Rivers of Life Church. However, it soon became clear through the leading of the Holy Spirit that for the people groups of this region—especially the Indigenous tribes—to grow into maturity, much more is needed than participation in a local church alone. Through focused teaching and practical application of God's Word, minds can be renewed and generations of spiritual darkness overcome.

Currently, the ministry is prayerfully looking at a few properties around 5 acres just outside of Alice Springs with buildings appropriate for a mission house, meeting hall (shed), an area for learning center classes, and space for camps. The "Bush Camps" will operate for 6 to 8 weeks, providing prospective leaders with an

immersive Bible-focused environment and intensive training. We are also speaking with lenders that finance commercial properties. **Our immediate goal is to raise at least \$300,000 USD, enabling us to purchase the right property when it becomes available.** The mortgage would then be lower than the combined rent currently paid for the church building and mission house.

There are several ways to donate into this strategic project on the HTM website... Bank card, PayPal, direct wire transfer, or a check sent to the P.O. mailing address. Every USA donation is tax deductible.

This is a landmark step in this remote area. PRAY to have a part in producing a LEGACY of LEADERS. Every donation given toward the "Take the Land" property will be designated and used 100% for this purchase.
